The security accreditation level of this site is Unclassified FOUO and below. Do not process, store, or transmit information classified above the accreditation level of this system.

### Select CAC Login

Select your CAC certificate and click "OK." You may be asked to enter in your CAC PIN.

The screenshot shows the AKO (Army Knowledge Online) and DKO (Defense Knowledge Online) login interface. The page includes a header with the U.S. Army logo and navigation links. The main content area has sections for 'Login to AKO/DKO', 'New User?', 'Help', and 'FAQs'. A 'Choose a digital certificate' dialog box is overlaid on the page, displaying a table of certificates:

Name	Issuer
[REDACTED]	DOO CA-16
[REDACTED]	DOO CA-14

The dialog box also contains a warning icon and the text: "The Web site you want to view requests identification. Please choose a certificate." Buttons for 'More Info...', 'View Certificate...', 'OK', and 'Cancel' are visible at the bottom of the dialog. A red warning box on the page reads: "Need a new password? Forgot your password? Click here to reset it."

Once in JKO, click on "Take Courses" (another window may open in order to update your profile).

Emergency Prepared Response Course (EPRC) - Clinician Short Course

**Welcome to J3OP-US258**

Emergency Prepared Response Course (EPRC) - Clinician Short Course

The purpose of this course is to provide refresher/sustainment training to prepare healthcare providers (doctors, dentists, nurses, physician assistants, nurse anesthetologists, and independent duty corpsmen/medics) to effectively manage casualties during an all-hazards incident including those emanating from chemical, biological, radiological, nuclear, or high-yield explosives (CBRNE) sources. This course also explains the history and current threat of CBRNE use, the characteristics of threat agents, the pathophysiology and treatment of agent exposure, and the principles of management of threat agent casualties. The course is presented in accordance with the Tri-Service CBRNE Medical Training Program and meets sustainment training requirements for healthcare providers.

- ▶ **Start** - To begin the course, click the **Start** button in the header bar. Some courses may require a subsequent click of the **Next Lesson** button in order to begin.
- ▶ **Resume** - If you are re-entering the course, click the **Resume** button to access your previous location in the course.
- ▶ **Navigation** - Navigation controls are generally located in the following areas:
  - Top header bar - Contains the **Previous Lesson**, **Next Lesson**, **Suspend Lesson**, **Help**, and **Exit Course** buttons. (Some courses may not have all of these items available on the top header bar.)
  - Table of Contents Tree - Contains a listing of all lessons and exams.
  - Content area - Contains the **Next (or Continue)** and **Previous (or Back)** buttons.
  - Icons (Arrows) are sometimes available to navigate within a course.
- ▶ **Header Bar** - Use the **Next Lesson** button to access the next required lesson (when available).
- ▶ **Pages** - Use the **Next (or Continue)** button in the content area to access each page in the lesson.
