

TRANSCOM Regulating and Command & Control Evacuation System (TRAC2ES)

In order to complete this TRAC2ES WBT course, students will have to first set up a TRAC2ES WBT account by contacting the DoD Global Patient Movement Requirements Center (GPMRC) at 618.229-7193. With a Username and Password provided by GPMRC, students will log on at <https://trac2eswbt.trac2es.transcom.mil>.

Students should navigate as follows:

- Hit "Launch Course WEB100 TRAC2ES - Web section 100"
- Hit "Request Enrollment"
- Highlight the prefix "WEB" and hit "Next"
- Highlight enrollment Reason "Satisfy prerequisite requirements" and hit "Next"
- Hit "Request Enrollment"
- Hit "Continue"
- Hit "I Acknowledge"

Students should complete the following TRAC2ES WBT course modules:

- Orientation to TRAC2ES
- Navigating TRAC2ES
- View Facility Data
- View Mission Data
- Manage ITV Events
- Generate Predefined Reports
